

271m²

Open-plan living with a separate lounge creates the perfect setup to include your own home theatre. This layout is great for family-focused living including a centrally located study with a shuttered opening to the family dining room to allow natural light and great communication. The spacious kitchen is the hub of this home and oversees the living areas and indoor outdoor flow. The extra large garage and laundry mean there's a place for everything.

Special Features

- Extra large garage
- Open-plan family living
- Separate lounge ideal for home theatre
- Spacious bedrooms and bathrooms
- Double showers in both bathrooms
- Abundant storage
